

WELCOME!

here at Coffee Lab, we have filtered water right at the entrance.
Help yourself!

the orders are taken in the kitchen to our baristas wearing overalls.
Let them know where you are seated, relax and wait for us to bring
your order to your table.

our micro-lots can be prepared in two different dilutions:

Lab's recipe: We follow technical standards to dissolve more
solids and aromas from the coffee.

Brazil's: As we are used to drink around here but with less
extraction of aromas and flavors from the coffee.

*10% of service charge is optional.
